**New Norton 'Meet'**

As a result of being partly involved in arranging a lunch gathering for my brother's 60<sup>th</sup> birthday I found when I arrived that we could almost have started a new branch of the Norton Owners Club. A couple of photos of the departing gang illustrate this. There were 3 Commandos, a very fine red Dominator and my brother, being of Triumph orientation came on a Velocette! Although this particular Saturday was a 'special' event these guys do meet fairly frequently at the hostelry in Esher for Saturday lunchtime meets. Many heads turned in the pub as the bikes were started and ridden off. If my machine was running there would have been a fourth Commando – not to be this time.

## Seaside Show

Norfolk's sunniest seaside town, and the County's branch of the Norton Owners Club invite all Norton owners to the town's green in front of the beach on August 12<sup>th</sup>. Ride your Norton or bring it on a trailer, and take part in this; the town's 4<sup>th</sup> static Norton only show. Enjoy the seaside atmosphere and help us to give the public an eye full of the unapproachable.

We will be starting early and will go on until late afternoon. Free tea and coffee, and all the usual seaside cafes etc. Our stand and marquee will be available to relax in, or the beach is a crankshaft's throw away.
