JUNE CLUB NIGHT

Isn't it amazing what half decent weather can do!

The turn out at the June club night was very impressive with lots of regulars, some irregulars and quite a lot of new faces. We didn't get 100% Norton representation (unfortunately I am still contributing to this problem but should be OK next month) but the quantity of bikes and people made for quite an impressive sight.

Thanks to the regulars who engaged the new faces – hopefully we will see them back and some of them may turn up for the July extra club night.

One bloke was minding his own business riding past on his BMW tourer when he did a classic double take, turned round and

came back to park up and have a good browse round.

Couple of observations from the night:-

1/ Mr Fry was observed to be in contravention of the road traffic laws!

2/ One lady member present wanted to know the difference was between a BSO and TSO Commando and what the letters stood for! (Think about it, she was looking at the side panels.....)

EVENTS

Norton Day – 23/6

I trawled round to see if anyone was going to Norton Day on the 23rd in Essex but there weren't many takers so if anyone is going (or went depending on when you get this) please tell me about your trip.

BSA/Matchless OC, Maidenhead RC – 1/7

We decided at the events meeting in the Winter that we wouldn't be doing a run from the Plough this year and any members wishing to go should go direct. I am sure there will be quite a few there so go for it, however there will be an extra club night the following day....

Xtra Night, VMCC @ Pirbright – 2/7

As per usual meet at the Plough for a run to the Cricketers.
