**NEXT BRANCH MEETING  
18<sup>th</sup> June 2002**

**A ROOM WITH A VIEW III**

Last one of these for the time being!

Consensus seems to be that whilst the Binfield club is a really good venue for winter sessions it doesn't offer the same outdoor gathering facilities as the Plough. On those gorgeous hot, dry summer evenings (like May's clubnight!) the front of the Plough is still a good meeting venue.

So it seems that – for the time being we will time share between the two depending on the seasons with the venue's announced through this newsletter.

**PIONEER RUN**

The first run of the season didn't start well with a downpour to set off in. The chairman and secretary braved the weather and found a smashing old style independent roadside café to rest up. The café was on the run route so, repleat with fried english breakfast and tea they watched the run go past for two hours before heading for sunny Brighton.

On the way back it was cream teas in Midhurst and a pleasant run back. So, after a dodgy start, it was a very pleasant day out apparently.

**NORTON DAY @ ACE**

One Sunday in April an impromptu gathering departed from Jocks Box on the A4 to Norton Day at the Ace Café.

There was a very good turnout with representation from the Bournemouth, North London branches as well.

Next time a visit is made to the Ace we might stop off at the Greenford motorcycle museum.

**RUN TO POPHAM**

The weather was cold and damp so not surprisingly turnout was low – Barry Stickland and Peter Renouf made the trip and I cheated and went by car.

If the weather had been nice it would have been lovely, unfortunately the great British weather let us down again.

**ACE CAFÉ FEATHERBEAD DAY**

This is scheduled for Sunday 2<sup>nd</sup> June. Unfortunately the original sponsor – Ian Verrinder – has had to drop out due to a clash with family commitments (likely story) so if anyone else fancies going please call me and I will try and co-ordinate.

Just in case you didn't know this is also the England –v- Sweden day!!

## **EXTRA CLUB NIGHT – 4<sup>th</sup> JUNE**

As Ian can't do Sunday 2<sup>nd</sup> he has offered to lead a run from the Plough for the June extra club night. Get there for an 8 o'clock leave.

### **EDITOR**

In case you don't already know I am planning to emigrate later this year and

plans are well advanced to leave for sunnier climes down under some time in August/September.

Ian and I will start trawling for volunteers for events organisation and newsletter/website tasks – volunteers please step forward!
